Report of Principal and School Improvement Council

Lincoln Middle-High School is accomplishing its mission of being an example of notable excellence in achievement. Our students engage in challenging knowledge-based activities that teach the standards of learning in every course. The High Schools That Work/Making Middle Grades Work key initiatives are also being implemented, in an effort to elevate overall student achievement. Our efforts yielded a grade of "A" on the 2013 ESEA/Federal Accountability System. Students enrolled in our middle grades had a passing rate of 100% on the End of Course Tests. According to PASS results, LMHS outscored Middle schools with students like ours in Science, Writing, Math, and Social Studies. In the exemplary scores, LMHS led in English/Language Arts, Science, and Writing. LMHS students received a 94.4% passing rate on the HSAP (HSAP Passing Rate according to spring 2013 scores).

As revealed in the State of South Carolina 2013 Annual School Report Card, LMHS received a Growth rating of "Good" (up from "at-risk" in 2012). We are actively engaged in rigorous interventions to help close the achievement gap. Interventions that are currently in place at LMHS are 21st Century after-school program, Test Prep sessions, Mentoring, Character Education, and Reading and Literacy programs. Our Character Education program was rated excellent on the 2013 State Report Card. We have increased our AP course offerings, to include AP Art, AP Literature, AP Government, and AP US History. Our students received several national honors and commendations. LMHS students continue to make an impact in the community. Several media outlets reported many of the great happenings at LMHS. Suspensions or expulsions for violent and/or criminal offenses are among the lowest in Charleston County School District. In 2012-13, 98.7% of our parents attended conferences. According to the 2013 State Report Card, 95.7% of our parents reported satisfaction with school-home relations.

The implementation of the 7th grade and 9th grade academies was instrumental in assisting incoming middle and high school students with developing effective study habits, time management skills, and other habits of success. The academies assisted with transition and provided academic support for engagement in a rigorous curriculum. Currently, all teachers at LMHS are Highly Qualified and are involved in ongoing professional development.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	55.6
Overall Grade Conversion	F

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
